HOPE HEIGHTS COLLABORATION
AT CATHOLIC CHARITIES OF WEST TENNESSEE

HELPING CHILDREN LOCALLY AND GLOBALLY
THIS CHRISTMAS SEASON.

SALES TAKE PLACE AT 1325 JEFFERSON AVENUE, BEGINNING EACH WEEKEND, STARTING ON 11/28 (FRIDAY AFTER THANKSGIVING)

Dear Potential Sponsor,

This Christmas season, Catholic Charities of West Tennessee is honored to bring the national "Buy a Tree – Change a Life" program to Memphis as part of our Hope Heights Collaboration —a new, community-driven effort to people and families out of crisis and into stability.

This campaign transforms the simple act of buying a Christmas tree into an act of hope. Half of all proceeds stay right here in West Tennessee, directly supporting local children through Catholic Charities' programs that provide food, clothing, shelter, and critical support. The other half extends that same compassion around the world through our partner organization, ForHope.us, ensuring that children everywhere have the opportunity to thrive.

We invite you to join us as a Hope Heights Financial Partner by sponsoring our Buy a Tree – Change a Life event this holiday season. Your company's sponsorship is more than a donation—it's an investment in brighter futures. Together, we'll create a joyful, family-centered experience where every tree sold changes a life, every light strung brings hope, and every sponsor helps to create a stronger community.

Last year, Buy a Tree – Change a Life locations nationwide raised more than $2.5 million, funding life-changing projects for children both locally and globally. With your help, our campus can make a bold and meaningful debut, setting the stage for an annual tradition that embodies the true spirit of Christmas—faith, family, and generosity.

Please review the enclosed sponsorship opportunities and benefits. Your support will not only light up homes this Christmas—it will light the way toward lasting change in our community and beyond.

Thank you for your compassion, generosity, and commitment to transforming lives through hope.

Warm regards,

Mike Goughnour
